

Anthology | Learning to Love the Stories of God

Week 11: Conclusion

Recap

What are the eight big eras in the OT that we talked through during this series?

What is the grand narrative of the Scriptures seen in these eras and the entirety of scripture?

Which stories or eras we covered stuck out to you? Why was that story especially relatable to you?

Application

What does it look like for you to grow and maintain consistent meditation on the entirety of the Scriptures?

Read John 5:38-40; Luke 24:44-25 In light of Jesus' claim that the entire Old Testament testifies and points to him, how does our understanding of the Old Testament change?

Are there themes in Scripture that you struggle to see as pointing towards Christ?

Going Forward

Who are the people in our lives that need to hear this?

How does being a people who are redeemed by Christ and meditate on his Scriptures change the way we live our lives?
